

Nguyen Ngoc Doanh

IT System Developer | ERP - MES - HRM

Born 2003 | +84 362 698 203 | doanh.nn.work@gmail.com | Bac Ninh, Vietnam

PROFESSIONAL SUMMARY

B.Sc. in Information Technology (Very Good) who completed the Samsung Innovation Campus AI course and co-authored a Springer-published paper on YOLOv8-based emergency detection. Hands-on experience in electronics testing (25 Keysight 3070 ICT testers on 4 production lines at Fuyu) and in developing ERP, MES and HRM systems at INTOPS Vietnam; skilled at turning shop-floor equipment data into reports and dashboards.

WORK EXPERIENCE

IT System Developer Since 08/2026

INTOPS Vietnam Co., Ltd.

- Gather and analyze business requirements from departments; develop, extend and maintain features across the ERP, MES and HRM systems.
- Built an HRM system for seasonal workforce management, integrating face-recognition attendance data to track working hours and control staffing.
- Designed and delivered a production data dashboard for the Painting department, giving the team a clear, timely view of production.
- Integrated Vision test machines with Microsoft SQL Server (MSSQL), automating the collection of test results and output data for storage, traceability and reporting.

IT Test Engineer (TE) 08/2025 - 08/2026

Fuyu Precision Component Co., Ltd.

- Managed and operated the TE test system: 25 Keysight 3070 in-circuit testers (ICT) across 4 production lines.
- Developed test programs in BT-Basic and Python; performed in-system IC programming via board connectors.
- Maintained stable connectivity between the test systems and servers; troubleshoot issues to keep production lines running.

SKILLS

Programming: Python, JavaScript, C#, BT-Basic

AI and computer vision: YOLOv8, OpenCV, FastAPI

Data: Microsoft SQL Server (MSSQL), PostgreSQL; data visualization, production dashboards

Business systems: ERP, MES, HRM; business requirements analysis

Equipment and testing: Keysight 3070 (ICT), Vision testers, face-recognition attendance, IC programming

Languages: Vietnamese (native), English (basic, reads technical documentation), Chinese (basic)

EDUCATION AND TRAINING

Thai Nguyen University of Information and Communication Technology (ICTU) 2025

B.Sc. in Information Technology. Graduated with Very Good classification, GPA 3.27/4.0

Samsung Innovation Campus (SIC): completed the Artificial Intelligence course 2025
